Performance Review

Profit Before Taxation

Taxation

Profit After Taxation

Un-appropriated Profit Brought Forward

Surplus realized on disposal of non-banking assets - net of tax

Re-measurement gain on defined benefit obligation - net of tax

Transfer in respect of incremental depreciation from surplus on

revaluation of fixed assets to unappropriated profit - net of tax

Profit Available for Appropriation

Appropriations:

Statutory Reserve

Final Cash Dividend at Rs. 5.0 per share - December 2021

First Interim Cash Dividend at Rs. 5.0 per share - March 2022

Second Interim Cash Dividend at Rs. 4.0 per share - June 2022

Total Appropriations

Un-appropriated Profit Carried Forward

With strong build up in core earnings, MCB's Profit Before Tax (PBT) for the nine months period ended September 30, 2022 increased to Rs. 51.6 billion against PBT of Rs. 38.3 billion of corresponding period last year. On the back of strong overall performance, the Bank reported highest ever quarterly profit before tax of Rs. 19.05 billion in 3Q, 2022. Retrospective application of tax amendments along with higher tax rates for current period enacted through Finance Act, 2022 resulted into 62% average tax rate for the nine months ended September 30, 2022 as compared to average tax rate of 41% for the corresponding period last year. Profit After Tax (PAT) registered a decline of 12% from Rs. 22.6 billion to Rs. 19.9 billion; translating into Earning Per Share (EPS) of Rs. 16.75 compared to an EPS of Rs. 19.03 in corresponding period last year.

On the back of strong volumetric growth in current account and favorable yield curve movements, net interest income for 9M'22 increased by 29% over corresponding period last year. Average current deposits of the Bank registered a growth of Rs 91.6 billion (+17%) YoY.

Non-markup income registered a growth of 41% and reported a base of Rs. 20.25 billion against Rs. 14.38 billion in the corresponding period last year. The contribution from foreign exchange line, debit cards, trade business and home remittances remained strong during the period.

Despite an exceptionally high inflation, impact of currency devaluation and continued investments in human resources, branch network and technological upgradation, operating expenses of the Bank were recorded at Rs. 30.52 billion, growing by a modest 16% year on year, while the cost to income ratio significantly improved to 37.3% from 42.5% reported in corresponding period last year.

Proactive monitoring and recovery efforts led to a net provision reversal against non-performing loans (NPL's) which aggregated to Rs. 1,883 million for the period under review. Persistent focus on maintaining a robust risk management framework encompassing structured assessment models, effective pre-disbursement evaluation tools and an array of post

disbursement monitoring systems has enabled MCB to effectively manage its credit risk. The Non-performing loan (NPLs) base of the Bank was reported at Rs. 52.47 billion. The Bank has not taken FSV benefit in calculation of specific provision against its non-performing loans (NPL's) base. The coverage and infection ratios of the Bank were reported at 85.14% and 8.37%, respectively.

On the financial position side, the total asset base of the Bank grew by 5.4% and was reported at Rs. 2,076 billion. Gross advances registered a slight decline of Rs. 9 billion (-1%), whereas the consumer lending book grew by Rs. 4.8 billion (+12%).

During the period under review, MCB's strategic objective of achieving growth in no-cost current account base was reinforced by an uncertain and volatile interest rate scenario, leading to persistent re-pricing gaps between the earning assets and liabilities. Hence, the Bank registered a growth of 21% in non-remunerative deposits to close the period at Rs. 680.33 billion. CASA mix was reported at an industry leading level of 93.73% which reflects customer loyalty earned by the Bank over 75 years through sustained provision of quality services.

MCB attracted home remittance inflows of USD 2,666 million, during the period under review with market share of 11.5% as an active participant in SBP's cause for improving flow of remittances into the country through banking channels.

During the ongoing year, the Bank celebrates successful completion of 75 years of its banking services to the nation. From modest beginnings, the Bank has transformed into a dynamic and innovative organization; overcoming a multitude of challenges along the way with resolve and fortitude. Recognition by the globally coveted Asia Money awards as 'Pakistan's Best Corporate Bank of the Year' in 2022 is a testament to its legacy of posting consistent and exceptional performance for its stakeholders.

While complying with the regulatory capital requirements, the Bank's total Capital Adequacy Ratio (CAR) is 17.6% against the requirement of 11.5% (including capital conservation buffer of 1.50% as reduced under the BPRD Circular Letter No. 12 of 2020). Quality of the capital is evident from Bank's Common Equity Tier-1 (CET1) to total risk weighted assets ratio which comes to 16.47% against the requirement of 6%. Bank's capitalization also resulted in a Leverage Ratio of 5.62% which is well above the regulatory limit of 3.0%. The Bank reported Liquidity Coverage Ratio (LCR) of 203.85% and Net Stable Funding Ratio (NSFR) of 134.66% against requirement of 100%.

The Board of Directors has declared a 3rd interim cash dividend of Rs. 5.00 per share i.e 50%, in addition to 90% already paid, bringing the total cash dividend for the nine months period ended September 30, 2022 to 140%.

Ratings

Pakistan Credit Rating Agency re-affirmed credit ratings of MCB at "AAA / A1+" for long term and short term respectively, through its notification dated June 23, 2022.

Economy Review

As we complete the third quarter of the calendar year, the global economy is suffering from slower growth, higher inflation and tighter monetary policy. Pakistan's economic situation also remains fragile with political conflict adding to the uncertainty. Additionally, floods have adversely impacted economic activity, putting pressure on both inflation and balance of payment. The World Bank has estimated \$32 billion losses caused by the floods and now expects Pakistan's GDP to slow down to 2% for the current fiscal year.

Inflation in Pakistan remained extremely elevated through the quarter. Annual Inflation increased to 23.2% on year-on-year basis in Sep-22 as compared to an increase of 27.3% in Aug-22. SBP has forecasted inflation for FY23 to be in the range of 18% to 20%. PKR devaluation, higher global commodity prices and crop-damage due to floods will likely continue to exert price

pressures in the near future.

On the external front, external debt payments and persistent current account deficits continued to exert pressure on the balance of payments. The current account deficit did show an improvement in Aug-22 coming in at USD 0.70 billion. SBP's foreign exchange reserves fell to USD 7.9 billion in Sep-22. It is anticipated that foreign reserves will increase after expected loans from ADB, IMF and World Bank. The international investors, however, continue to take a grim view of Pakistan's external account. Moody's Investors Service ("Moody's") also downgraded the Government of Pakistan's local and foreign currency issuer and senior unsecured debt ratings to Caa1 from B3. For these reasons, yields on Pakistan Euro bonds have spiked over the last few months.

In October's monetary policy, the State Bank of Pakistan maintained the policy rate at 15%. It noted the continued deceleration in economy activity especially given the recent flooding. Most of the demand indicators showed declines in both July-22 and Aug-22. SBP projects the GDP growth for FY23 to be lower (2%) than the earlier project number (3-4%).

Future Outlook

Pakistan's GDP growth is projected to slow down through the year. The expected global recession should lead to softening of global commodity prices. This will have a positive effect on Pakistan's balance of payment. Additionally, Pakistan is expecting aid from the international community in response to the devastating floods. These external flows should help prop up the foreign currency reserves in the short-term. However, given the politically volatile situation, risks remain on the fiscal front. Any slippages will lead to negative consequences for the economy.

Appreciation and Acknowledgements

The Board of Directors of MCB Bank Limited would like extend their sincere gratitude towards the Government of Pakistan, the State Bank of Pakistan, the Securities & Exchange Commission of Pakistan and other regulatory bodies for their continued support and guidance, all shareholders and customers of the Bank for their trust, and our employees for their continuous dedication and commitment.

For and on behalf of the Board of Directors,

Shoaib Mumtaz
President & CEO,
MCB Bank Limited
October 26, 2022

Shahzad Hussain
Director
MCB Bank Limited

اکتوبر کی مانیٹری پالیسی میں اسٹیٹ بینک آف پاکستان نے پالیسی ریٹ کو 15 فیصد کی شرح پر برقرار رکھا ہے۔ اس امر کو مشاہدہ کیا گیا ہے کہ معاشی سرگرمی میں خاص طور پر سیلاب کی صورتحال کی وجہ سے مسلسل گراؤت جاری ہے۔ جولائی 2022ء اور اگست 2022ء دونوں مہینوں کے دوران، طلب کے زیادہ تر اشاریوں میں کمی نظر آئی۔ اسٹیٹ بینک آف پاکستان نے مالی سال 2023ء کے لیے نمو کی توقع 3 سے 4 فیصد کی شرح کے اپنے سابقہ تخمینے سے بھی کم کر کے 2 فیصد پر تعین کی ہے۔

مستقبل کی پیش بینی:

رواں سال کے دوران، پاکستان کے جی ڈی پی کی نمو میں سست روی کی پیش بینی کی گئی ہے۔ متوقع عالمی کساد بازاری، اشیاء کی عالمی قیمتوں میں کمی کا باعث بن سکتی ہے۔ علاوہ ازیں پاکستان، حالیہ تباہ کن سیلاب کے تناظر میں بین الاقوامی برادری کی جانب سے اپنی معیشت میں اعانت اور امداد کی وصولیوں کی توقع رکھتا ہے۔ ان متوقع بیرونی وصولیوں سے غیر ملکی زرمبادلہ کے ذخائر کو قلیل مدت میں تقویت حاصل ہو سکے گی۔ سیاست کی موجودہ اہتر اور ناموافق حالات کے پیش نظر، مالیاتی محاذ پر خدشات کے برقرار رہنے کی توقع ہے۔ ایسی تمام مشکلات اور چیلنجز معیشت پر منفی اثرات و نتائج کا باعث بن سکتی ہیں۔

حسین وٹنکر

ایم سی بی بینک کے بورڈ آف ڈائریکٹرز، حکومت پاکستان، اسٹیٹ بینک آف پاکستان، سیورٹیز اینڈ ایکسچینج کمیشن آف پاکستان اور دیگر انضباطی اداروں کا ان کی جاری معاونت کے لیے، بینک کے شیئر ہولڈرز اور صارفین کا ان کے بھرپور اعتماد کے لیے اور اپنے ملازمین کا ان کی مسلسل لگن اور مخلصانہ خدمات پر شکریہ ادا کرتے ہیں۔

اپنی خالص آمدنی کو مضبوط بناتے ہوئے، ایم سی بی بینک کا منافع قبل از ٹیکس گزشتہ سال کے تقابلی عرصہ کے 38.3 ملین روپے کی نسبت 30 ستمبر 2022ء کو اختتام پذیر نو ماہ کی مدت کے لیے 51.6 ملین روپے کی سطح تک بڑھ گیا۔ اپنی مضبوط مجموعی کارکردگی کی بناء پر بینک نے تیسری سہ ماہی کے دوران 19.05 ملین روپے کا تاریخ ساز منافع حاصل کیا۔ خالص ایکٹ 2022ء کے ذریعے پچھلی مدت سے قابل اطلاق ٹیکس ٹریم اور اضافی ٹیکس کی وجہ سے، اس زمرہ تجزیہ عرصہ کے دوران، اہلکلیف (effective) ٹیکس ریٹ گزشتہ سال کے تقابلی عرصہ کی 41 فیصد کی شرح کے مقابلے میں 62 فیصد تک جا پہنچا۔ منافع بعد از ٹیکس، گزشتہ سال کے تقابلی عرصہ کے 22.6 ملین روپے کی نسبت 12 فیصد کی تخفیف کا اندراج کرتے ہوئے 19.9 ملین روپے پر پہنچ گیا۔ جس کے زیر اثر بینک کی فی شخص آمدنی، گزشتہ سال کے تقابلی عرصے کے دوران کی 19.03 روپے فی شیئر کی سطح کے تناسب میں 16.75 روپے فی شیئر پر درج کی گئی۔

کرنٹ ڈیپازٹس میں مضبوط مقدار کی نمو کے تسلسل اور خط آمدنی میں مثبت تحریک کی بنیاد پر 30 ستمبر 2022ء کو اختتام پذیر نو ماہ کی مدت کے لیے خالص انٹرسٹ آمدنی نے اپنے گزشتہ سال کے تقابلی عرصہ کے حاصل شدہ حجم سے 29 فیصد کا اضافہ ظاہر کیا۔ سال بہ سال کی بنیاد پر، بینک کے اوسط کرنٹ ڈیپازٹس میں 91.6 ملین (+17%) کی بڑھوتری دیکھی گئی۔

نان مارک اپ آمدنی اپنی گزشتہ سال کی 14.38 ملین روپے کی سطح سے 41 فیصد کی نمو کے ساتھ مجموعی طور پر 20.25 ملین روپے پر درج کی گئی۔ اس مدت میں غیر ملکی کرنسی کی شرح تبادلہ، ڈیٹ کارڈز، تجارتی کاروبار اور گھریلو ترسیلات زر سے حاصل آمدنی اس عرصے کے دوران مضبوط اور اہم کردار کی حامل رہیں۔

روپے کی قدر میں فرسودگی، غیر متوقع طور پر بلند افراط زر کے دباؤ، برانچوں کے پھیلاؤ میں وسعت، افرادی وسائل میں سرمایہ کاری، اور ٹیکنالوجی کی اپ گریڈیشن کے باوجود، بینک کے کاروباری اخراجات، سال بہ سال کی بنیاد پر، 16 فیصد کے معتدل اضافے کے ساتھ 30.52 ملین روپے پر شمار ہوئے۔ لہذا، لاگت کی آمدنی سے شرح تناسب گزشتہ سال کے مماثل عرصے میں رپورٹ کی گئی 42.50 فیصد کی شرح سے نمایاں بہتری کے ساتھ 37.30 فیصد پر شمار ہوئی۔ پیش قدم گرانٹی اور وصولیوں کی کوششوں کی بدولت اس زمرہ تجزیہ عرصہ کے دوران غیر فعال قرضوں کے لیے مختص خالص اخراجات (پروویژن) میں 1,883 ملین روپے کی کمی کوئی ہوئی۔

خدمات کے تدارک کے مضبوط فریم ورک جو کہ چارج کے تحقیقی ماڈلز، قرض کی ادائیگی سے پہلے اسکی قدر پیمائی کے موزوں طریقہ کار اور ادائیگی کے بعد گرانٹی کے موزوں نظام پر مبنی عوامل پر مسلسل توجہ برقرار رکھتے ہوئے، ایم سی بی نے اپنے کریڈٹ کے خدمات کا، ارتقائی عمل سے دوچار بنکر داکٹاک صورت حال سے درپیش منظم اور مربوط خطرات کے باوجود، احسن طریقے سے انتظام کیا۔ بینک کے غیر فعال قرضہ جات 52.47 ملین روپے پر رپورٹ ہوئے۔ بینک نے اپنی مخصوص پروویژن کا شمار کرتے ہوئے جری فروخت کے فوائد کو شامل نہیں کیا۔ بینک کی کوریج اور انفیکشن کی شرحیں بالترتیب 85.14 فیصد اور 8.37 فیصد پر رپورٹ ہوئیں۔

مالیاتی حوالے سے، بینک کے کل اثاثہ جات کی اساس 5.4 فیصد کے اضافے کے ساتھ 2,076 ملین روپے پر رپورٹ ہوئی۔ کل قرضہ جات میں 9 ملین روپے (-1%) کی معمولی کمی ہوئی جبکہ کمزور قرضہ جات میں 4.8 ملین روپے (+12%) کا اضافہ درج کیا گیا۔

اس زمرہ تجزیہ عرصہ کے دوران، ایم سی بی کی حکمت عملی کا کلیدی مقصد ایک غیر یقین اور ناپائیدار انٹرسٹ ریٹ کے مظنارے جس کی بدولت پیداواری اثاثہ جات اور واجبات کی قیمتوں کے دوبارہ تعین میں موجود ثقادت برقرار ہے، سے پیدا ہونے والے مسابقتی ماحول میں بحیرہ لاگت کے کرنٹ اکاؤنٹ کی اساس میں اضافہ رہا۔ لہذا، بینک نے غیر پیداواری ڈیپازٹس میں 21 فیصد کی نمو درج کرتے ہوئے، اس مدت کے اختتام تک، اس کا حجم 680.33 ملین روپے پر درج کیا۔ کاسا کی ترکیب کی شرح 93.73 فیصد رہی جو گزشتہ 75 سالوں پر محیط کردار اور اعلیٰ معیار کی خدمات کی فراہمی کے ذریعے حاصل کیے گئے صارفین کے اعتماد کا منہ بولتا ثبوت ہے۔

اس زمرہ تجزیہ عرصہ کے دوران، ایم سی بی نے اسٹیٹ بینک آف پاکستان کے بینکنگ چینل کے ذریعے غیر ملکی ترسیلات میں اضافے کے مقصد کے ساتھ اپنی سرگرم شراکت داری کو مزید تقویت فراہم کرتے ہوئے 11.5 فیصد کے مارکیٹ شیئر کے ساتھ 2,666 ملین امریکی ڈالر کی ترسیلات زر کو وصول کیا۔

رواں سال کے دوران، بینک نے اپنی بینکاری کی خدمات کی فراہمی کے 75 سال مکمل کیے ہیں۔ ایک معتدل شروعات سے، بینک نے خود کو ایک جدید اور متحرک ادارے میں ڈھالا اور اس طرح اپنے عزم، حوصلے اور ثابت قدمی سے کئی ایک مسائل اور فضیلتوں کا موزوں تدارک کیا۔ بینک کی ان کاوشوں کو عالمی اداروں نے بھی سراہا۔ ایشیاء مئی (Asia Money) کی جانب سے سال 2022ء کے لیے "پاکستان کے بہترین کارپوریٹ بینک" کا اعزاز بینک کی اپنے تمام اسٹیک ہولڈرز کے لیے مسلسل اور قابل رشک کارکردگی کی خدمات کی فراہمی کا مظہر اور اعتراف ہے

سرمائے کے ضوابط کی مطلوبہ بات کی تعمیل کرتے ہوئے بینک کے کل سرمائے کی معقولیت (کنٹینٹ ایڈیٹیوٹی) 11.5 فیصد کی مطلوبہ شرح کی نسبت 17.6 فیصد رہی (جس میں 2020ء کے بی پی آر ڈی (BPRD) سرکلر لیزنمبر 12 کے تحت سرمایہ کو محفوظ دینے کے لیے 1.50 فیصد کی تعمیل کی شرح شامل ہے)۔ سرمایہ کے اعلیٰ معیار کا اظہار بینک کی کامن ایکویٹی ٹائر 1 - Common Equity Tier (CET1) سے کل رسک ویٹڈ ایسٹس (Risk Weighted Assets) کی شرح سے ہوتا جو کہ 6.0 فیصد کی مطلوبہ حد کے مقابلے 16.47 فیصد کی شرح پر درج کی گئی۔ بینک کی کپٹال نرزیشن کے نتیجے میں لیوریج (Leverage) کی شرح بھی 3.0 فیصد کی ضوابط کی حد سے 5.62 فیصد پر جا پہنچی۔ بینک نے لیکویڈٹی کوریج ریکوئز (LCR - Liquidity Coverage Ratio) کو 203.85 فیصد اور نیٹ سٹیبل فنڈنگ ریشو (NSFR - Net Stable Funding Ratio) کو 100 فیصد کی مطلوبہ شرح کی نسبت 134.66 فیصد پر رپورٹ کیا۔

بورڈ آف ڈائریکٹرز نے 5 روپے فی حصص کے تیسرے عبوری کیش ڈیوڈینڈ یعنی 50 فیصد کا اعلان کرتے ہوئے، جو کہ بینک کے ادا شدہ 90 فیصد کے علاوہ ہے، 30 ستمبر 2022ء کو اختتام پذیر نو ماہ کی مدت تک کل کیش ڈیوڈینڈ کی شرح کو 140 فیصد تک پہنچا دیا ہے۔

ریٹنگ:

پاکرا (PACRA) کے نوٹیفیکیشن تاریخ 23 جون 2022ء کی بنیاد پر بینک، طویل اور قلیل مدت کی بالترتیب AAA اور A1 کی بلند ترین کریڈٹ ریننگ سے مستفید ہو رہا ہے۔

معاشی جائزہ

جیسا کہ ہم سال کی تیسری سہ ماہی کی تکمیل کر چکے ہیں، عالمی معیشت سست نمو، بلند افراط زر اور کڑی مالیاتی پالیسیوں سے ماحول سے نبرد آزما ہے۔ پاکستان کی معاشی صورتحال ملک میں سیاسی اختلافات میں شدت کے باعث باہمی فریقین سے مسلسل دوچار ہے۔ علاوہ ازیں، حالیہ سیلاب نے معاشی سرگرمی پر منفی اثرات مرتب کیے ہیں جس سے افراط زر اور ادائیگیوں کے توازن، دونوں پر شدید دباؤ کی کیفیت ہے۔ عالمی بینک نے سیلاب سے ہونے والے نقصانات کا تخمینہ 32 بلین امریکی ڈالرز پر کیا ہے اور اب رواں سال کے لیے پاکستان کی بی ڈی پی کی شرح کے اندازے کو تخفیف کے ساتھ 2 فیصد پر مقرر کیا ہے۔

اس سہ ماہی کے دوران، افراط زر انتہائی بلند شرح پر برقرار رہا۔ سال بہ سال کی بنیاد پر، سالانہ افراط زر اگست 2022ء میں 27.3 فیصد کے مقابلے میں ستمبر 2022ء تک 23.2 فیصد کی شرح پر درج ہوا۔ اسٹیٹ بینک آف پاکستان نے مالی سال 2023ء کے دوران افراط زر کی شرح کی پیش بینی کرتے ہوئے اس کو 18 سے 20 فیصد کی حد تک رہنے کی توقع کی ہے۔ پاکستانی روپے کی قدر میں تنزلی، ایشیائی باہمی فریقین عالمی قیمتیں اور سیلاب کے باعث فصلوں کو ہونے والے شدید نقصانات، مستقبل قریب میں بھی قیمتوں پر اپنا دباؤ برقرار رکھیں گے۔

بیرونی حماز پر، بیرونی قرضوں کی ادائیگیوں اور کرنٹ اکاؤنٹ میں مسلسل خسارے کے باعث ادائیگیوں کے توازن پر دباؤ برقرار رہے گا۔ اگست 2022ء میں کرنٹ اکاؤنٹ خسارے میں قدرے بہتری کا رجحان نظر آیا اور اس کا حجم 0.7 بلین امریکی ڈالرز پر درج ہوا۔ اسٹیٹ بینک آف پاکستان کے زرمبادلہ کے ذخائر، ستمبر 2022ء میں کم ہوتے ہوئے 7.9 بلین امریکی ڈالرز تک پہنچ گئے۔ اس امر کی توقع کی جا رہی ہے کہ اے ڈی بی (ADB)، آئی ایم ایف اور عالمی بینک سے قرضہ جات کے حصول کے بعد غیر ملکی زرمبادلہ کے ذخائر میں اضافہ ہو گا۔ تاہم، بین الاقوامی سرمایہ کار، پاکستان کے بیرونی اکاؤنٹ کے بارے میں غیر مناسب اور سخت روش پر برقرار ہیں۔

موڈرن انوینٹری سروسز (موڈرن) نے بھی حکومت پاکستان کی لوکل اور فارن کرنسی اسٹور اور سٹیز ان سکیورڈ ڈیٹ ریٹنگ (local and foreign issuer and senior debt rating) کو بی۔3 (B3) سے کم کر کے سی اے اے 1 (Caa1) پر مقرر کیا ہے۔ ان وجوہات کی بنیاد پر، پاکستان کے یورو بانڈز کی پیبلڈ (yeild) میں گزشتہ چند ماہ کے دوران اضافے کا رجحان دیکھا گیا۔

1. STATUS AND NATURE OF BUSINESS

MCB Bank Limited (the 'Bank') is a banking company incorporated in Pakistan and is engaged in commercial banking and related services. The Bank's ordinary shares are listed on the Pakistan stock exchange. The Bank's Registered Office and Principal Office are situated at MCB -15 Main Gulberg, Lahore. The Bank operates 1,430 branches (2021: 1,426 branches) within Pakistan and 09 branches (2021: 11 branches) outside Pakistan (including the Karachi Export Processing Zone branch).

2. BASIS OF PREPARATION

2.1 These unconsolidated condensed interim financial statements represent separate financial statements of MCB Bank Limited. The consolidated condensed interim financial statements of the Group are being issued separately.

2.2 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate profit in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these unconsolidated condensed interim financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon.

2.3 The unconsolidated condensed interim financial statements are presented in Pak Rupees, which is the Bank's functional and presentation currency of its primary economic environment. The amounts are rounded off to the nearest thousand.

2.4 These unconsolidated condensed interim financial statements have been prepared under the historical cost convention except that certain classes of fixed assets and non-banking assets acquired in satisfaction of claims are stated at revalued amounts and certain investments and derivative financial instruments have been marked to market and are carried at fair value. In addition, obligations in respect of staff retirement benefits and lease liabilities which have been carried at present value and right of use assets which are initially measured at an amount equal to the corresponding lease liability and depreciated over the respective lease terms.

3. STATEMENT OF COMPLIANCE

3.1 These unconsolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;

- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and

- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IAS 34 or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives, shall prevail.

3.2 The State Bank of Pakistan has deferred the applicability of International Accounting Standards 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002. The Securities and Exchange Commission of Pakistan (SECP) has deferred applicability of IFRS-7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1)/2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated condensed interim financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars.

3.3 The SECP vide its notification SRO 633 (I)/2014 dated July 10, 2014, adopted IFRS 10 effective from the periods starting from June 30, 2014. However, vide its notification SRO 56 (I)/2016 dated January 28, 2016, it has been notified that the requirements of IFRS 10 and section 228 of the Companies Act, 2017 will not be applicable with respect to the investment in mutual funds established under trust structure.

3.4 The disclosures made in these unconsolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular Letter No. 05 of 2019 dated March 22, 2019 and IAS 34, Interim Financial Reporting. These unconsolidated condensed interim financial statements do not include all the information and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual unconsolidated financial statements for the financial year ended December 31, 2021.

3.5 Amendments to approved accounting standards that are effective in the current period

There are certain amendments to existing accounting standards that have become applicable to the Bank for accounting periods beginning on or after January 1, 2022. These are considered either to not be relevant or not to have any significant impact on the Bank's unconsolidated condensed interim financial statements.

3.6 Standards, interpretations of and amendments to approved accounting standards that are not yet effective

The following new standard and amendments to existing accounting standards will be effective from the dates mentioned below against the respective standard or amendment:

	Effective date (annual periods beginning on or after)
Amended Definition of Accounting Estimates – Amendments to IAS 8	January 1, 2023
Deferred tax related to assets and liabilities arising from a single transaction – Amendment to IAS 12	January 1, 2023
Classification of Liabilities as Current or Non-current – Amendments to IAS 1	January 1, 2024

IFRS 9, Financial Instruments: Classification and Measurement, addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'Expected Credit Losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL approach has an impact on all assets of the Bank which are exposed to credit risk.

As per the SBP's BPRD Circular Letter no. 03 dated July 5, 2022, the applicability of IFRS 9 to banks in Pakistan has been deferred to accounting periods beginning on or after January 1, 2023. Therefore, these unconsolidated condensed interim financial statements have been prepared in accordance with the existing prudential regime to the extent of the Bank's domestic operations, whereas the requirements of this standard are incorporated for overseas jurisdictions where IFRS 9 has been adopted. The impact of the application of IFRS 9 on Bank's financial statements is being assessed with respect to domestic operations.

There are other amendments and interpretations to existing standards that are mandatory for the Bank's accounting periods beginning on or after January 1, 2023 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not detailed in these unconsolidated condensed interim financial statements.

4. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these unconsolidated condensed interim financial statements are consistent with those applied in the preparation of the audited annual unconsolidated financial statements of the Bank for the year ended December 31, 2021.

5. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these unconsolidated condensed interim financial statements are the same as that applied in the preparation of the unconsolidated financial statements for the year ended December 31, 2021.

6. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the unconsolidated financial statements for the year ended December 31, 2021. These risk management policies continue to remain robust and the Bank is reviewing its portfolio regularly in line with emerging risks.

11.3.1 State Bank of Pakistan vide BSD Circular No. 2 dated January 27, 2009, BSD Circular No. 10 dated October 20, 2009, BSD Circular No. 12 of 2010 dated June 03, 2010 and BSD Circular No.1 of 2011 dated October 21, 2011 has allowed benefit of Forced Sale Value (FSV) of Plant & Machinery under charge, pledged stock and mortgaged residential, commercial & industrial properties (land and building only) held as collateral against Non Performing Loans (NPLs) for five years from the date of classification. However, management has not taken the FSV benefit in calculation of specific provision.

11.3.2 The Bank maintains general reserve in accordance with the applicable requirements of the Prudential Regulations for Consumer Financing and Prudential Regulations for Small and Medium Enterprise Financing issued by the SBP. General provisions pertaining to overseas advances are made in accordance with the requirements of the regulatory authorities of the respective countries in which the overseas branches operate. In addition, the Bank also maintains a general provision against gross advances on a prudent basis.

20.1 Supreme Court of Pakistan vide its order dated November 10, 2016 has held that the amendments made in the law introduced by the Federal Government for the levy of Workers Welfare Fund were not lawful. The Federal Board of Revenue has filed review petitions against this order which are currently pending.

Legal advice obtained on the matter indicates that consequent to filing of these review petitions the judgment may not currently be treated as conclusive. Accordingly, the Bank maintained its provision in respect of WWF.

Note	Unaudited September 30, 2022	Audited December 31, 2021

21. RESERVES		
Share premium	23,751,114	23,751,114
Non - distributable capital reserve - gain on bargain purchase option	21.1	908,317
Exchange translation reserve	4,539,213	3,701,067
Statutory reserve	21.2	39,626,769
General reserve	18,600,000	18,600,000
	<u>87,425,413</u>	<u>84,602,024</u>

21.1 Under IFRS-3 a bargain purchase represents an economic gain which should be immediately recognized by the acquirer as income. However, the amount of bargain purchase gain was not been taken to the profit and loss account as the SBP, through its letter BPRD(R&PD)/2017/14330 dated June 13, 2017 recommended that the amount of gain may be routed directly into equity as a Non-distributable Capital Reserve (NCR). The NCR may become available for distribution through a stock dividend only with prior approval of the SBP. The Bank, before distribution of the gain as a stock dividend, may adjust any subsequent provisions/deficit, assessed by the Bank or recommended by the Banking Inspection Department of SBP, in the acquired assets and liabilities of NIB Bank Limited against the NCR.

21.2 Statutory reserve represents amount set aside as per the requirements of section 21 of the Banking Companies Ordinance, 1962.

23.2.4 The Bank makes commitments to extend credit in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn.

	Note	Unaudited September 30, 2022	Audited December 31, 2021
-----Rupees in '000-----			

23.3 Other contingent liabilities

Claims against the Bank not acknowledged as debts	23.3.1	31,046,038	25,738,784
---	--------	------------	------------

23.3.1 These mainly represent counter claims by borrowers for damages and other claims relating to banking transactions. Based on legal advice and / or internal assessments, management is confident that the matters will be decided in the Bank's favour and the possibility of any adverse outcome is remote. Accordingly, no provision has been made in these unconsolidated condensed interim financial statements.

23.4 Taxation

For assessment year 1999-2000 through tax year 2021, the tax department disputed Bank's treatment on certain issues, where the Bank's appeals are pending at various appellate forums, entailing an additional tax liability of Rs. 1,158 million (2021: Rs. 1,497 million). Such issues inter alia principally include disallowance of expenses for non deduction of withholding tax and non availability of underlying records, provision for non performing loans, attribution of expenses to heads of income other than income from business and disallowance of credit for taxes paid in advance / deducted at source.

The Bank has filed appeals which are pending at various appellate forums. In addition, certain decisions made in favour of the Bank are being contested by the department at higher forums. No provision has been made in these unconsolidated condensed interim financial statements regarding the aforesaid additional tax demand and already issued favourable decisions where the department is in appeal, as the management is of the view that the issues will be decided in the Bank's favour as and when these are taken up by the Appellate Authorities.

23.5 Amortization of goodwill and other intangibles amounting to Rs 28.08 billion of Ex. NIB

Issue of goodwill and other related assets amortization for few years has been assessed in Bank's favour at appellate forums during the year, however, the tax department has filed appeal against these decisions. The management has not recorded any tax benefit because the issue has not attained finality.

Basic and diluted earnings per share		16.75	19.03

35. FAIR VALUE MEASUREMENTS

The fair value of traded investments is based on quoted market prices, except for tradable securities classified by the Bank as 'held to maturity'. Quoted securities classified as held to maturity are carried at amortised cost. Fair value of unquoted equity investments other than investments in associates and subsidiaries is determined on the basis of break up value of these investments as per the latest available financial statements.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy.

In the opinion of the management, the fair value of the financial assets and financial liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or re-priced over short term.

35.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Valuation techniques used in determination of fair valuation of financial instruments within level 2

Item	Valuation approach and input used
Federal Government securities	The fair values of Treasury Bills and fixed rate Pakistan Investments Bonds are determined using the PKRV rates. Floating rate PIBs are revalued using PKFRV rates.
Term Finance and Bonds	Investments in debt securities (comprising term finance certificates, bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan.
Foreign exchange contracts	The valuation has been determined by interpolating the mid rates announced by the State Bank of Pakistan.
Derivatives	The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currency involved, interest rates, yield curves, volatilities, contracts duration etc.
Unlisted Shares	Breakup value determined on the basis of NAV of the company using the latest available audited financial statements.
Mutual Funds	Units of mutual funds are valued using the Net Asset Value (NAV) announced by the Mutual Funds Association of Pakistan (MUFAP)
Operating fixed assets (land and building) & Non-banking assets acquired in satisfaction of claims	Land, buildings and non-banking assets acquired in satisfaction of claims are revalued on a periodic basis using professional valuers. The valuation is based on their assessment of the market value of the assets. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty. Accordingly, a qualitative disclosure of sensitivity has not been presented in these unconsolidated financial statements.

The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

(a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in listed ordinary shares and units of mutual funds.

(b) Financial instruments in level 2

Financial instruments included in level 2 comprise of Sukuk Bonds, Pakistan Investment Bonds, Market Treasury Bills, Term Finance certificates, FX options, Cross Currency Swaps, Interest Rate Swaps and Forward Exchange Contracts.

(c) Financial instruments in level 3

Currently, no financial instruments are classified in level 3.

The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. For financial assets, the Bank essentially carries its investments in debt and equity securities at fair values. Valuation of investments is carried out as per guidelines specified by the SBP. In case of non-financial assets, the Bank has adopted revaluation model (as per IAS 16) in respect of land and building.

1. STATUS AND NATURE OF BUSINESS

The Group consists of:

- Holding Company - MCB Bank Limited

Subsidiary Companies

"Percentage holding of
MCB Bank Limited"

- MCB - Arif Habib Savings and Investments Limited	51.33%
- MCB Non-Bank Credit Organization " Closed Joint Stock Company"	99.94%
- MCB Islamic Bank Limited	100%
- Financial Management Services (Private) Limited	95.90%

MCB Bank Limited (the "Bank") is a banking company incorporated in Pakistan and is engaged in commercial banking and related services. The Bank's ordinary shares are listed on the Pakistan stock exchange. The Bank's Registered Office and Principal Office are situated at MCB -15 Main Gulberg, Lahore. The Bank operates 1,430 branches (2021: 1,426 branches) within Pakistan and 09 branches (2021: 11 branches) outside Pakistan (including the Karachi Export Processing Zone branch).

2. BASIS OF PREPARATION

2.1 These consolidated financial statements include the financial statements of MCB Bank Limited and its subsidiary companies and share of the profit / reserves of associates (the "Group").

a. Subsidiaries are all entities over which the Group has the power to govern the financial and operating policies accompanying a shareholding of more than one half of the voting rights. The existence and effect of potential voting rights that are currently exercisable are considered when assessing whether the Group controls another entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are de-consolidated from the date when control ceases. The assets and liabilities of subsidiary companies have been consolidated on a line by line basis based in the financial statements for the nine months period ended September 30, 2022 and the carrying value of investments held by the parent is eliminated against the subsidiaries' shareholders' equity in these consolidated condensed interim financial statements. Material intra-Group balances and transactions have been eliminated.

b. Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for under the equity method of accounting and are initially recognised at cost, thereafter adjusted for the post-acquisition change in the Group's share of net assets of the associates. The cumulative post-acquisition movements are adjusted in the carrying amount of the investment. Accounting policies of the associates have been changed where necessary to ensure consistency with the policies adopted by the Group. The Group's share in associates have been accounted for based on the financial statements for the nine months period ended September 30, 2022.

c. Non-controlling interest is that part of the net results of operations and of net assets of subsidiary companies attributable to interests which are not owned by the Group.

2.2 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate profit in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these consolidated condensed interim financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon.

The financial results of the Group's Islamic Banking business have been consolidated in these financial statements for reporting purposes, after eliminating material inter-group transactions / balances.

2.3 The consolidated condensed interim financial statements are presented in Pak Rupees, which is the Group's functional and presentation currency of its primary economic environment. The amounts are rounded off to the nearest thousand.

2.4 These consolidated condensed interim financial statements have been prepared under the historical cost convention except that certain classes of fixed assets and non-banking assets acquired in satisfaction of claims are stated at revalued amounts and certain investments and derivative financial instruments have been marked to market and are carried at fair value. In addition, obligations in respect of staff retirement benefits and lease liabilities which have been carried at present value and right of use assets which are initially measured at an amount equal to the corresponding lease liability and depreciated over the respective lease terms.

3. STATEMENT OF COMPLIANCE

3.1 These consolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IAS 34 or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives, shall prevail.

3.2 The State Bank of Pakistan has deferred the applicability of International Accounting Standards 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002. The Securities and Exchange Commission of Pakistan (SECP) has deferred applicability of IFRS-7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1) /2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated condensed interim financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars.

3.3 The SECP vide its notification SRO 633 (I)/2014 dated July 10, 2014, adopted IFRS 10 effective from the periods starting from June 30, 2014. However, vide its notification SRO 56 (I)/2016 dated January 28, 2016, it has been notified that the requirements of IFRS 10 and section 228 of the Companies Act, 2017 will not be applicable with respect to the investment in mutual funds established under trust structure.

3.4 The disclosures made in these consolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular Letter No. 05 of 2019 dated March 22, 2019 and IAS 34, Interim Financial Reporting. These consolidated condensed interim financial statements do not include all the information and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual consolidated financial statements for the financial year ended December 31, 2021.

3.5 Amendments to approved accounting standards that are effective in the current period

There are certain amendments to existing accounting standards that have become applicable to the Group for accounting periods beginning on or after January 1, 2022. These are considered either to not be relevant or not to have any significant impact on the Group's consolidated condensed interim financial statements.

3.6 Standards, interpretations of and amendments to approved accounting standards that are not yet effective

The following new standard and amendments to existing accounting standards will be effective from the dates mentioned below against the respective standard or amendment:

	Effective date (annual periods beginning on or after)
Amended Definition of Accounting Estimates – Amendments to IAS 8	January 1, 2023
Deferred tax related to assets and liabilities arising from a single transaction – Amendment to IAS 12	January 1, 2023
Classification of Liabilities as Current or Non-current – Amendments to IAS 1	January 1, 2024

IFRS 9, Financial Instruments: Classification and Measurement, addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'Expected Credit Losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL approach has an impact on all assets of the Group which are exposed to credit risk.

As per the SBP's BPRD Circular Letter no. 03 dated July 5, 2022, the applicability of IFRS 9 to banks in Pakistan has been deferred to accounting periods beginning on or after January 1, 2023. Therefore, these consolidated condensed interim financial statements have been prepared in accordance with the existing prudential regime to the extent of the Group's domestic operations, whereas the requirements of this standard are incorporated for overseas jurisdictions where IFRS 9 has been adopted. The impact of the application of IFRS 9 on Bank's financial statements is being assessed with respect to domestic operations.

There are other amendments and interpretations to existing standards that are mandatory for the Group's accounting periods beginning on or after January 1, 2023 but are considered not to be relevant or do not have any significant effect on the Group's operations and are therefore not detailed in these consolidated condensed interim financial statements.

4. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the audited annual consolidated financial statements of the Group for the year ended December 31, 2021.

5. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these consolidated condensed interim financial statements are the same as that applied in the preparation of the consolidated financial statements for the year ended December 31, 2021.

6. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Group are consistent with those disclosed in the consolidated financial statements for the year ended December 31, 2021. These risk management policies continue to remain robust and the Group is reviewing its portfolio regularly in line with emerging risks.

11.3.1 State Bank of Pakistan vide BSD Circular No. 2 dated January 27, 2009, BSD Circular No. 10 dated October 20, 2009, BSD Circular No. 02 of 2010 dated June 03, 2010 and BSD Circular No.1 of 2011 dated October 21, 2011 has allowed benefit of Forced Sale Value (FSV) of Plant & Machinery under charge, pledged stock and mortgaged residential, commercial & industrial properties (land and building only) held as collateral against Non Performing Loans (NPLs) for five years from the date of classification. The Bank (holding company) has not taken the FSV benefit in calculation of specific provision. However, one of the subsidiary of the Bank has availed benefit of forced sale values amounting to Rs. 417.470 million (December 31, 2021: Rs. 249.750 million) in determining the provisioning against non-performing Islamic financing and related assets as at September 30, 2022. The additional benefit arising from availing the FSV benefit - net of tax amounts to Rs. 212.910 million as at September 30, 2022 (December 31, 2021: Rs. 152.378 million) is not available for payment of cash or stock dividends to shareholders.

11.3.2 The Group maintains general reserve in accordance with the applicable requirements of the Prudential Regulations for Consumer Financing and Prudential Regulations for Small and Medium Enterprise Financing issued by the SBP. General provisions pertaining to overseas advances are made in accordance with the requirements of the regulatory authorities of the respective countries in which the overseas branches operate. In addition, the Group also maintains a general provision against gross advances on a prudent basis.

	<u>133,086,065</u>	<u>99,002,039</u>

20.1 Supreme Court of Pakistan vide its order dated November 10, 2016 has held that the amendments made in the law introduced by the Federal Government for the levy of Workers Welfare Fund were not lawful. The Federal Board of Revenue has filed review petitions against this order which are currently pending.

Legal advice obtained on the matter indicates that consequent to filing of these review petitions the judgment may not currently be treated as conclusive. Accordingly, the Group maintained its provision in respect of WWF.

21. RESERVES		
Share premium	23,973,024	23,973,024
Non- distributable capital reserve - gain on bargain purchase option	21.1	908,317
Exchange translation reserve		4,929,087
Statutory reserve	21.2	39,884,365
General reserve		18,600,000
	<u>88,294,793</u>	<u>85,043,592</u>

21.1 Under IFRS-3 a bargain purchase represents an economic gain which should be immediately recognized by the acquirer as income. However, the amount of bargain purchase gain was not been taken to the profit and loss account as the SBP, through its letter BPRD(R&PD)/2017/14330 dated June 13, 2017 recommended that the amount of gain may be routed directly into equity as a Non-distributable Capital Reserve (NCR). The NCR may become available for distribution through a stock dividend only with prior approval of the SBP. The Group, before distribution of the gain as a stock dividend, may adjust any subsequent provisions/deficit, assessed by the Bank or recommended by the Banking Inspection Department of SBP, in the acquired assets and liabilities of NIB Bank Limited against the NCR.

21.2 Statutory reserve represents amount set aside as per the requirements of section 21 of the Banking Companies Ordinance, 1962.

Claims against the Group not acknowledged as debts	23.3.1	31,549,197	26,189,566
--	--------	------------	------------

23.3.1 These mainly represent counter claims by borrowers for damages and other claims relating to banking transactions. Based on legal advice and / or internal assessments, management is confident that the matters will be decided in the Group's favour and the possibility of any adverse outcome is remote. Accordingly, no provision has been made in these consolidated condensed interim financial statements.

23.4 Taxation

For assessment year 1999-2000 through tax year 2021, the tax department disputed Group's treatment on certain issues, where the Group's appeals are pending at various appellate forums, entailing an additional tax liability of Rs. 1,158 million (2021: Rs. 1,497 million). Such issues inter alia principally include disallowance of expenses for non deduction of withholding tax and non availability of underlying records, provision for non performing loans, attribution of expenses to heads of income other than income from business and disallowance of credit for taxes paid in advance / deducted at source.

The Group has filed appeals which are pending at various appellate forums. In addition, certain decisions made in favour of the Group are being contested by the department at higher forums. No provision has been made in these consolidated condensed interim financial statements regarding the aforesaid additional tax demand and already issued favourable decisions where the department is in appeal, as the management is of the view that the issues will be decided in the Group's favour as and when these are taken up by the Appellate Authorities.

23.5 Amortization of goodwill and other intangibles amounting to Rs 28.08 billion of Ex. NIB

Issue of goodwill and other related assets amortization for few years has been assessed in Holding favour at appellate forums during the year, however, the tax department has filed appeal against these decisions. The management has not recorded any tax benefit because the issue has not attained finality.

35. FAIR VALUE MEASUREMENTS

The fair value of traded investments is based on quoted market prices, except for tradable securities classified by the Group as 'held to maturity'. Quoted securities classified as held to maturity are carried at amortised cost. Fair value of unquoted equity investments other than investments in associates is determined on the basis of break up value of these investments as per the latest available financial statements.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Group's accounting policy.

In the opinion of the management, the fair value of the financial assets and financial liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or re-priced over short term.

35.1 Fair value of financial assets

The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Valuation techniques used in determination of fair valuation of financial instruments within level 2

Item	Valuation approach and input used
Federal Government securities	The fair values of Treasury Bills and fixed rate Pakistan Investments Bonds are determined using the PKRV rates. Floating rate PIBs are revalued using PKFRV rates.
Term Finance and Bonds	Investments in debt securities (comprising term finance certificates, bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan.
Foreign exchange contracts	The valuation has been determined by interpolating the mid rates announced by the State Bank of Pakistan.
Derivatives	The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currency involved, interest rates, yield curves, volatilities, contracts duration etc.
Unlisted Shares	Breakup value determined on the basis of NAV of the company using the latest available audited financial statements.
Mutual Funds	Units of mutual funds are valued using the Net Asset Value (NAV) announced by the Mutual Funds Association of Pakistan (MUFAP)
Operating fixed assets (land and building) & Non-banking assets acquired in satisfaction of claims	Land, buildings and non-banking assets acquired in satisfaction of claims are revalued on a periodic basis using professional valuers. The valuation is based on their assessment of the market value of the assets. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty. Accordingly, a qualitative disclosure of sensitivity has not been presented in these consolidated financial statements.

The Group's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

(a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in listed ordinary shares and units of mutual funds.

(b) Financial instruments in level 2

Financial instruments included in level 2 comprise of Sukuk Bonds, Pakistan Investment Bonds, Market Treasury Bills, Term Finance certificates, FX options, Cross Currency Swaps, Interest Rate Swaps and Forward Exchange Contracts.

(c) Financial instruments in level 3

Currently, no financial instruments are classified in level 3.

The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. For financial assets, the Group essentially carries its investments in debt and equity securities at fair values. Valuation of investments is carried out as per guidelines specified by the SBP. In case of non-financial assets, the Group has adopted revaluation model (as per IAS 16) in respect of land and building.

36.2 Transactions between reportable segments are based on an appropriate transfer pricing mechanism using agreed rates. Furthermore, segment assets and liabilities include inter segment balances. Costs which are not allocated to segments are included in the Head office. Income taxes are managed at bank level and are not allocated to operating segments.

The Group has related party relationship with its associates, employee benefit plans, its directors and key management personnel and their close family members.

The Group enters into transactions with related parties in the ordinary course of business and on substantially the same terms as for comparable transactions with person of similar standing. Contributions to and accruals in respect of staff retirement benefits and other benefit plans are made in accordance with the actuarial valuations / terms of the contribution plan. Remuneration to the executives / officers is determined in accordance with the terms of their appointment.

Details of transactions with related parties during the period, other than those which have been disclosed elsewhere in these consolidated condensed interim financial statements are as follows:

39 EVENTS AFTER THE REPORTING DATE

The Board of Directors in its meeting held on October 26, 2022 has announced an interim cash dividend in respect of nine months period ended September 30, 2022 of Rs. 5.00 per share (September 30, 2021: Rs. 4.5 per share). These consolidated condensed interim financial statements for the period ended September 30, 2022 do not include the effect of these appropriations which will be accounted for subsequent to the period end.

40 GENERAL

Comparative information has been rearranged wherever necessary for better presentation of the financial statements. There have been no significant reclassifications during the period.

Figures have been rounded off to the nearest thousand of rupees unless otherwise stated.

41 DATE OF AUTHORIZATION FOR ISSUE

These consolidated condensed interim financial statements were authorized for issue by the Board of Directors of the Bank in their meeting held on October 26, 2022.
