| Statutory Reserve | (4,415) |
| Final Cash Dividend at Rs. 6.0 per share - December 2022 | (7,110) |
| First Interim Dividend at Rs. 6.0 per share – March 2023 | (7,110) |
| SecondInterim Dividend at Rs. 7.0 per share – June 2023 | (8,295) |
| Total Appropriations | (26,930) |
| Un-appropriated Profit Carried Forward | 89,168 |
| | , |

Through focused efforts of the Bank's management in building no-cost deposits and optimizing its earning assets mix, MCB successfully sustained its growth momentum in core earnings to post historically high nine months Profit Before Tax (PBT) of Rs. 88.1 billion on a standalone basis; registering an impressive increase of 71% on a year-on-year basis. The Profit After Tax (PAT) was recorded at Rs. 44.1 billion (+122%) and translated into an Earning Per Share (EPS) of Rs. 37.25 compared to an EPS of Rs. 16.75 reported in the corresponding period last year.

With concentrated efforts delivering strong volumetric growth in current account and timely repositioning of the asset book resulted in a 73% increase in net interest income for the period under review as compared to corresponding period last year.

Non-markup income increased to Rs. 22.6 billion (+12%) against Rs. 20.3 billion in the corresponding period last year with major contributions coming in from fee commission income (Rs. 14.2 billion), income from dealing in foreign currency (Rs. 5.9 billion) and dividend income (Rs. 2.0 billion).

Improving customer and interbank flows, diversification of revenue streams through continuous enrichment of service suite, investments towards digital transformation and an unrelenting focus on upholding high standards of service delivery supplemented a broad-based growth of 38% in income from fee commission; with trade and guarantee related business income growing by 95%, cards related income by 48%, branch banking customer fees by 12% and income from home remittance by 18%.

The Bank continues to manage an efficient operating expense base and monitor costs prudently. Amidst a persistently high inflationary environment, currency devaluation, rapidly escalating commodity prices and continued investments in human resources and technological upgradation, the operating expenses of the Bank were reported at Rs. 37.4 billion (+23%). The cost to income ratio of the Bank improved significantly to 29% from 37% reported in corresponding period last year.

Navigating through a challenging operating and macroeconomic environment, the Bank has been addressing asset quality issues by maintaining discipline in management of its risk return decisions. Diversification of the loan book across customer segments and a robust credit underwriting framework that encompasses structured assessment models, effective predisbursement evaluation tools and an array of post disbursement monitoring systems has enabled MCB to effectively manage its credit risk; the Non-performing loan (NPLs) base of the Bank was reported at Rs. 54.6 billion as at September 30, 2023. The coverage and infection ratios of the Bank were reported at 82.86% and 8.45% respectively.

On the financial position side, the total asset base of the Bank grew by 15% and was reported at Rs. 2.39 trillion. Analysis of the assets mix highlights that net investments increased by Rs. 279 billion (+29%) whereas gross advances reported a decrease of Rs. 151 billion (-19%) over December 31, 2022.

The Bank continued its focus on building no cost deposits, leading to a robust growth of Rs. 190 billion (YoY: +30%) in average current deposits. The average current to total deposits ratio improved to 51.5% during the period under review from 41.3% in corresponding period last year. Despite the exceptional increase in interest rates during the period, the domestic cost of deposits was contained at 8.63% as compared to 6.21% in the corresponding period last year.

Return on Assets and Return on Equity significantly improved to 2.63% and 31.84% respectively, whereas the book value per share was reported at Rs. 167.81.

During the period under review, MCB attracted home remittance inflows of USD 2,369 million to further consolidate its position as an active participant in SBP's cause for improving flow of remittances into the country through banking channels; with market share improving to 12.3% compared to 11.4% in the corresponding period last year.

While complying with the regulatory capital requirements, the Bank's total Capital Adequacy Ratio (CAR) is 20.26% against the requirement of 11.5% (including capital conservation buffer of 1.50% as reduced under the BPRD Circular Letter No. 12 of 2020). Quality of the capital is evident from Bank's Common Equity Tier-1 (CET1) to total risk weighted assets ratio which comes to 17.74% against the requirement of 6%. Bank's capitalization also resulted in a Leverage Ratio of 6.05% which is well above the regulatory limit of 3.0%. The Bank reported Liquidity Coverage Ratio (LCR) of 246.89% and Net Stable Funding Ratio (NSFR) of 150.03% against requirement of 100%.

The Board of Directors has declared a 3rd interim cash dividend of Rs. 8.0 per share i.e. 80%, in addition to 130% already paid, bringing the total cash dividend for the nine months period ended September 30, 2023 to 210%.

Ratings

Pakistan Credit Rating Agency re-affirmed credit ratings of MCB at "AAA / A1+" for long term and short term respectively, through its notification dated June 23, 2023.

Economy Review

Pakistan's economy showed signs of improvement in the quarter ended September 30, 2023. The stand-by agreement (SBA) with the IMF, improved current account balance, general decline in the global commodity prices and reduced budget deficit all contributed to this improvement.

Inflation remained high throughout the quarter, mainly driven by food and energy prices. Inflation expectations remain elevated for the shorter term. Multiple years of high fiscal deficits have created strong inflationary pressures in the economy. A restrictive policy rate coupled with fiscal discipline should help lower inflation in the medium-term.

The Current Account for the FY 24 (Jul-Aug) reported a deficit of USD 935 million against a deficit of USD 2,035 million in the same period last year, showing the effects of muted demand. At end September 2023, SBP's foreign reserves had increased to USD 7,615 million with the total liquid reserves for the country clocking in at USD 13,030 million. The gradual improvement in the country's balance of payment has resulted in reduced pressure on PKR and bodes well for the medium-term PKR outlook. However, it remains vital that Pakistan successfully concludes the IMF review due in November 23. Any delay in concluding this review will create economic uncertainties for an already stuttering economy.

The Government introduced a wide range of tax measures in the FY24 budget and aims to collect PKR 9.4 trillion in taxes, targeting an increase of 30% from the last year. The total expected expenditure stands at PKR 14.48 trillion with debt servicing consuming 50% of the expenditure. The Government intends to restrict the fiscal deficit to 6.53% of the GDP. The Government comfortably met the revenue targets for the quarter showing strong revenue growth over last year's number.

Prior to signing of the SBA with IMF, the deterioration of the country's economic indicators, and the uncertainty of the IMF program resulted in significant increase in Pakistan's external borrowing costs; Pakistan's Euro Bond yields reflected this distress. However, after a prolonged delay in the 9th review, the breakthrough in the shape of SBA with the IMF restored market confidence. The yields on Pakistan Euro Bonds have since improved.

Future Outlook

Adherence to IMF's SBA is essential for the economic recovery to take foot. Any deviation from the agreed upon IMF agreement may quickly result in economic distress and erode the confidence gained over the last quarter. Pakistan economy is expected to grow at 2-3% for the fiscal year but difficult economic decisions will have to be taken for long-term growth. The inflationary pressures will continue to be a challenge for the country and will begin to ease further in the second half of FY24. Moreover, the influx of external funding remains crucial for which political and economic stability remains vital.

Appreciation and Acknowledgements

The Board of Directors of MCB Bank Limited would like to extend their sincere gratitude towards the Government of Pakistan, the State Bank of Pakistan, the Securities & Exchange Commission of Pakistan and other regulatory bodies for their continued support and guidance, all shareholders and customers of the Bank for their trust, and our employees for their continuous dedication and commitment.

For and on behalf of the Board of Directors,

Shoaib Mumtaz President & CEO MCB Bank Limited October25, 2023

MCB Bank Limited

Notes To The Unconsolidated Condensed Interim Financial Statements (Un-audited) For The Nine Months Period Ended September 30, 2023

1. STATUS AND NATURE OF BUSINESS

MCB Bank Limited (the 'Bank') is a banking company incorporated in Pakistan and is engaged in commercial banking and related services. The Bank's ordinary shares are listed on the Pakistan stock exchange. The Bank's Registered Office and Principal Office are situated at MCB -15 Main Gulberg, Lahore. The Bank operates 1,431 branches (2022: 1,439 branches) within Pakistan and 08 branches (2022: 09 branches) outside Pakistan (including the Karachi Export Processing Zone branch).

2. BASIS OF PREPARATION

- 2.1 These unconsolidated condensed interim financial statements represent separate financial statements of MCB Bank Limited. The consolidated condensed interim financial statements of the Group are being issued separately.
- 2.2 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate profit in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these unconsolidated condensed interim financial statements as such but are restricted to the amount of facility actually utilized and the appropriate profin of profit thereon.
- 2.3 The unconsolidated condensed interim financial statements are presented in Pak Rupees, which is the Bank's functional and presentation currency of its primary economic environment. The amounts are rounded off to the nearest thousand.
- 2.4 These unconsolidated condensed interim financial statements have been prepared under the historical cost convention except that certain classes of fixed assets and non-banking assets acquired in satisfaction of claims are stated at revalued amounts and certain investments and derivative financial instruments have been marked to market and are carried at fair value. In addition, obligations in respect of staff retirement benefits and lease liabilities which have been carried at present value and right of use assets which are initially measured at an amount equal to the corresponding lease liability and depreciated over the respective lease terms.

3. STATEMENT OF COMPLIANCE

3.1 These unconsolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting.

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;

- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and

- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IAS 34 or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives, shall prevail.

- 3.2 The State Bank of Pakistan has deferred the applicability of International Accounting Standards 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002 and International Accounting Standard 39 'Financial Instruments: Recognition and Measurement' (IAS 39) through BSD Circular Letter No. 10, dated August 26, 2002. The Securities and Exchange Commission of Pakistan (SECP) has deferred applicability of IFRS-7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1)/2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars.
- 3.3 The SECP vide its notification SRO 633 (I)/2014 dated July 10, 2014, adopted IFRS 10 effective from the periods starting from June 30, 2014. However, vide its notification SRO 56 (I)/2016 dated January 28, 2016, it has been notified that the requirements of IFRS 10 and section 228 of the Companies Act, 2017 will not be applicable with respect to the investment in mutual funds established under trust structure.
- 3.4 The disclosures made in these unconsolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular Letter No. 05 of 2019 dated March 22, 2019 and IAS 34, Interim Financial Reporting. These unconsolidated condensed interim financial statements do not include all the information and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual unconsolidated financial statements for the financial year ended December 31, 2022.

Notes To The Unconsolidated Condensed Interim Financial Statements (Un-audited) For The Nine Months Period Ended September 30, 2023

3.5 Amendments to approved accounting standards that are effective in the current period

There are certain new standards and interpretations of and amendments to existing accounting standards that have become applicable to the Bank for accounting periods beginning on or after January 1, 2023. These are considered either to not be relevant or not to have any significant impact on the Bank's unconsolidated condensed interim financial statements.

3.6 Standards, interpretations of and amendments to approved accounting standards that are not yet effective

The following new standard and amendments to existing accounting standards will be effective from the dates mentioned below against the respective standard or amendment:

| | Effective date (annual periods beginning on or after) |
|---|---|
| Amendment to IFRS 16 - Leases on sale and leaseback | January 1, 2024 |
| Classification of Liabilities as Current or Non-current – Amendments to IAS 1 | January 1, 2024 |

IFRS 9, Financial Instruments: Classification and Measurement, addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'Expected Credit Losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL approach has an impact on all assets of the Bank which are exposed to credit risk.

As per SBP's BPRD Circular No. 7 dated April 13, 2023, the effective date of IFRS 9 for banks in Pakistan has been extended from 01 January 2023 to 01 January 2024, and accordingly the Standard will be applied in the Bank's financial statements for accounting periods beginning on or after 1 January 2024. As disclosed in note 3.3 to the unconsolidated annual financial statements of the Bank for the year ended 31 December 2022, the Bank had carried out an impact assessment based on the portfolio of financial instruments held at that date. Given the modified effective date of the Standard, the Bank will reassess the impact of the Standard in due course as required under the relevant regulatory requirements.

These unconsolidated condensed interim financial statements have been prepared in accordance with the existing prudential regime to the extent of the Bank's domestic operations, whereas the requirements of this standard are incorporated for overseas jurisdictions where IFRS 9 has been adopted.

There are other amendments and interpretations to existing standards that are mandatory for the Bank's accounting periods beginning on or after January 1, 2023 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not detailed in these unconsolidated condensed interim financial statements.

4 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these unconsolidated condensed interim financial statements are consistent with those applied in the preparation of the audited annual unconsolidated financial statements of the Bank for the year ended December 31, 2022.

5 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these unconsolidated condensed interim financial statements are the same as that applied in the preparation of the unconsolidated financial statements for the year ended December 31, 2022.

6 FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the unconsolidated financial statements for the year ended December 31, 2022. These risk management policies continue to remain robust and the Bank is reviewing its portfolio regularly and conducts rapid portfolio reviews in line with emerging risks.

11.3.1 State Bank of Pakistan vide BSD Circular No. 2 dated January 27, 2009, BSD Circular No. 10 dated October 20, 2009, BSD Circular No. 02 of 2010 dated June 03, 2010 and BSD Circular No. 1 of 2011 dated October 21, 2011 has allowed benefit of Forced Sale Value (FSV) of Plant & Machinery under charge, pledged stock and mortgaged residential, commercial & industrial properties (land and building only) held as collateral against Non Performing Loans (NPLs) for five years from the date of classification. However, management has not taken the FSV benefit in calculation of specific provision.

11.3.2 The Bank maintains general reserve in accordance with the applicable requirements of the Prudential Regulations for Consumer Financing and Prudential Regulations for Small and Medium Enterprise Financing issued by the SBP. General provisions pertaining to overseas advances are made in accordance with the requirements of the regulatory authorities of the respective countries in which the overseas branches operate. In addition, the Bank also maintains a general provision against gross advances on a prudent basis. Unaudited Audited

20.1 Supreme Court of Pakistan vide its order dated November 10, 2016 has held that the amendments made in the law introduced by the Federal Government for the levy of Workers Welfare Fund were not lawful. The Federal Board of Revenue has filed review petitions against this order which are currently pending.

Legal advice obtained on the matter indicates that consequent to filing of these review petitions the judgment may not currently be treated as conclusive. Accordingly, the Bank maintained its provision in respect of WWF.

| 21. RESERVES | | | |
| Share premium | | 23,751,114 | 23,751,114 |
| Non- distributable capital reserve - gain on bargain purchase option | 21.1 | 908,317 | 908,317 |
| Exchange translation reserve | | 9,253,922 | 4,402,973 |
| Statutory reserve | 21.2 | 45,330,280 | 40,915,620 |
| General reserve | | 18,600,000 | 18,600,000 |
| | | 97.843.633 | 88.578.024 |

21.1 Under IFRS-3 a bargain purchase represents an economic gain which should be immediately recognized by the acquirer as income. However, the amount of bargain purchase gain was not been taken to the profit and loss account as the SBP, through its letter BPRD(R&PD)/2017/14330 dated June 13, 2017 recommended that the amount of gain may be routed directly into equity as a Non-distributable Capital Reserve (NCR). The NCR may become available for distribution through a stock dividend only with prior approval of the SBP. The Bank, before distribution of the gain as a stock dividend, may adjust any subsequent provisions/deficit, assessed by the Bank or recommended by the Banking Inspection Department of SBP, in the acquired assets and liabilities of NIB Bank Limited against the NCR.

21.2 Statutory reserve represents amount set aside as per the requirements of section 21 of the Banking Companies Ordinance, 1962.

MCB Bank Limited

Bank for Life

Notes To The Unconsolidated Condensed Interim Financial Statements (Un-audited) For The Nine Months Period Ended September 30, 2023

23.2.4 The Bank makes commitments to extend credit in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn.

| | | | Unaudited | Audited |
|--------|---|---------------------------|----------------------|------------------|
| | | Note | September 30, | December 31, |
| | | | 2023 | 2022 |

| 23.3 | Other contingent liabilities | | | |
| | Claims against the Bank not acknowledged as debts | 23.3.1 | 32,512,749 | 27,947,886 |
| 23.3.1 | These mainly represent counter claims by borrowers for damage | s and other claims relati | ing to banking trans | actions Based on |

5.5.1 These mainly represent counter claims by borrowers for damages and other claims relating to banking transactions. Based on legal advice and / or internal assessments, management is confident that the matters will be decided in the Bank's favour and the possibility of any adverse outcome is remote. Accordingly, no provision has been made in these unconsolidated condensed interim financial statements.

23.4 Taxation

For assessment year 1988-89 through tax year 2022, the tax department disputed Bank's treatment on certain issues, where the Bank's appeals are pending at various appellate forums, entailing an additional tax liability of Rs.1,586.702 million (2022: Rs. 844 million). Such issues inter alia principally include disallowance of expenses for non-deduction of withholding tax and non-availability of underlying records, provision for non-performing loans, attribution of expenses to heads of income other than income from business and disallowance of credit for taxes paid in advance / deducted at source.

The Bank has filed appeals which are pending at various appellate forums. In addition, certain decisions made in favour of the Bank are being contested by the department at higher forums. No provision has been made in these unconsolidated condensed interim financial statements regarding the aforesaid additional tax demand and already issued favourable decisions where the department is in appeal, as the management is of the view that the issues will be decided in the Bank's favour as and when these are taken up by the Appellate Authorities.

23.5 Amortisation of goodwill and other intangibles amounting to Rs 28.08 billion of Ex. NIB

Issue of goodwill and other related assets amortization for few years has been assessed in Bank's favour at appellate forums, however, the tax department has filed appeal against these decisions. The management has not recorded any tax benefit because the issue has not attained finality.

Bank for Life

MCB Bank Limited

Notes To The Unconsolidated Condensed Interim Financial Statements (Un-audited) For The Nine Months Period Ended September 30, 2023

35. FAIR VALUE MEASUREMENTS

The fair value of traded investments is based on quoted market prices, except for tradable securities classified by the Bank as 'held to maturity'. Quoted securities classified as held to maturity are carried at amortised cost. Fair value of unquoted equity investments other than investments in associates and subsidiaries is determined on the basis of break up value of these investments as per the latest available financial statements.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy.

In the opinion of the management, the fair value of the financial assets and financial liabilities other than those carried at fair value and disclosed in note 35.1 are not significantly different from their carrying values since assets and liabilities are either short-term in nature or re-priced over short term.

35.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 1:
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Valuation techniques used in determination of fair valuation of financial instruments within level 2

| Item | Valuation approach and input used |
|--|--|
| Federal Government securities | The fair values of Treasury Bills and fixed rate Pakistan Investments Bonds (PIBs) are determined using the PKRV rates. Floating rate PIBs are revalued using PKFRV rates. |
| Term Finance Certificates and Bonds | Investments in debt securities (comprising term finance certificates, bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) is accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan. |
| Foreign exchange contracts | The valuation has been determined by interpolating the mark-to-market currency rates announced by the State Bank of Pakistan. |
| Derivatives | The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currency involved, interest rates, yield curves, volatilities, contracts duration etc. |
| Unlisted Shares | Breakup value determined on the basis of NAV of the company using the latest available audited financia statements. |
| Mutual Funds | Units of mutual funds are valued using the Net Asset Value (NAV) announced by the Mutual Fund Association of Pakistan (MUFAP). |
| Operating fixed assets (land and building) & Non-banking assets acquired in satisfaction of claims | Land, buildings and non-banking assets acquired in satisfaction of claims are revalued on a periodi basis using professional valuers. The valuation is based on their assessment of the market value of the assets. |

The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the period.

(a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in listed ordinary shares and units of mutual funds.

(b) Financial instruments in level 2

Financial instruments included in level 2 comprise of Sukuk Bonds, Pakistan Investment Bonds, Market Treasury Bills, Term Finance certificates, FX options, Cross Currency Swaps, Interest Rate Swaps and Forward Exchange Contracts.

(c) Financial instruments in level 3

Currently, no financial instruments are classified in level 3.

MCH Bank for Life

Notes To The Unconsolidated Condensed Interim Financial Statements (Un-audited) For The Nine Months Period Ended September 30, 2023

The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. For financial assets, the Bank essentially carries its investments in debt and equity securities at fair values. Valuation of investments is carried out as per guidelines specified by the SBP. In case of non-financial assets, the Bank has adopted revaluation model (as per IAS 16) in respect of land and building.

The Bank's ordinary shares are listed on the Pakistan stock exchange. The Bank's Registered Office and Principal Office are situated at MCB -15 Main Gulberg, Lahore. The Bank operates 1,431 branches (2022: 1,439 branches) within Pakistan and 08 branches (2022: 09 branches) outside Pakistan (including the Karachi Export Processing Zone branch).

The Board of Directors of MCB Bank Limited (the Bank), in its meeting held on February 08, 2023 had approved an equity investment of Rs. 649.925 million to acquire further 30.09% shareholding of "MCB Investment Managment Limited (Formely: MCB Arif-Habib Savings and Investments Limited), an existing subsidiary of the Bank. On the recommendation of the Board, the Shareholders of the Bank also approved this equity investment in MCBIML in their Annual General Meeting held on March 27, 2023. Acquisition transaction was completed on April 18, 2023, subsequent to the approvals granted by the regulatory bodies.

BASIS OF PREPARATION 2.

2.1 These consolidated financial statements include the financial statements of MCB Bank Limited and its subsidiary companies and share of the profit / reserves of associates (the "Group").

- a. Subsidiaries are all entities over which the Group has the power to govern the financial and operating policies accompanying a shareholding of more than one half of the voting rights. The existence and effect of potential voting rights that are currently exercisable are considered when assessing whether the Group controls another entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are de-consolidated from the date when control ceases. The assets and liabilities of subsidiary companies have been consolidated on a line by line basis based in the financial statements for the nine months period ended September 30, 2023 and the carrying value of investments held by the parent is eliminated against the subsidiaries' shareholders' equity in these consolidated condensed interim financial statements. Material intra-Group balances and transactions have been eliminated.
- b. Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for under the equity method of accounting and are initially recognised at cost, thereafter adjusted for the post-acquisition change in the Group's share of net assets of the associates. The cumulative post-acquisition movements are adjusted in the carrying amount of the investment. Accounting policies of the associates have been changed where necessary to ensure consistency with the policies adopted by the Group. The Group's share in associates have been accounted for based on the financial statements for the nine months period ended September 30, 2023.
- c. Non-controlling interest is that part of the net results of operations and of net assets of subsidiary companies attributable to interests which are not owned by the Group.
- 22 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate profit in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these consolidated condensed interim financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon.
- 2.3 The consolidated condensed interim financial statements are presented in Pak Rupees, which is the Group's functional and presentation currency of its primary economic environment. The amounts are rounded off to the nearest thousand.
- 24 These consolidated condensed interim financial statements have been prepared under the historical cost convention except that certain classes of fixed assets and non-banking assets acquired in satisfaction of claims are stated at revalued amounts and certain investments and derivative financial instruments have been marked to market and are carried at fair value. In addition, obligations in respect of staff retirement benefits and lease liabilities which have been carried at present value and right of use assets which are initially measured at an amount equal to the corresponding lease liability and depreciated over the respective lease terms.

Shoaib Mumtaz

Hammad Khalid

Chief Financial Officer

Notes To The Consolidated Condensed Interim Financial Statements (Un-audited)

For The Nine Months Period Ended September 30, 2023

3. STATEMENT OF COMPLIANCE

3.1 These consolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;

- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and

- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IAS 34 or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives, shall prevail.

- 3.2 The State Bank of Pakistan has deferred the applicability of International Accounting Standards 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002 and International Accounting Standard 39 'Financial Instruments: Recognition and Measurement' (IAS 39) through BSD Circular Letter No. 10, dated August 26, 2002. The Securities and Exchange Commission of Pakistan (SECP) has deferred applicability of IFRS-7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1) /2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars.
- 3.3 The SECP vide its notification SRO 633 (I)/2014 dated July 10, 2014, adopted IFRS 10 effective from the periods starting from June 30, 2014. However, vide its notification SRO 56 (I)/2016 dated January 28, 2016, it has been notified that the requirements of IFRS 10 and section 228 of the Companies Act, 2017 will not be applicable with respect to the investment in mutual funds established under trust structure.
- 3.4 The disclosures made in these consolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular Letter No. 05 of 2019 dated March 22, 2019 and IAS 34, Interim Financial Reporting. These consolidated condensed interim financial statements do not include all the information and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual consolidated financial statements for the financial year ended December 31, 2022.

3.5 Amendments to approved accounting standards that are effective in the current period

There are certain new standards and interpretations of and amendments to existing accounting standards that have become applicable to the Group for accounting periods beginning on or after January 1, 2023. These are considered either to not be relevant or not to have any significant impact on the Group's consolidated condensed interim financial statements.

3.6 Standards, interpretations of and amendments to approved accounting standards that are not yet effective

The following new standard and amendments to existing accounting standards will be effective from the dates mentioned below against the respective standard or amendment:

| Effective date | (annua | al periods |
|----------------|--------|------------|
| beginning | on or | after) |

| Amendment to IFRS 16 - Leases on sale and leaseback | January 1, 2024 |
|---|-----------------|
| Classification of Liabilities as Current or Non-current – Amendments to IAS 1 | January 1, 2024 |

IFRS 9, Financial Instruments: Classification and Measurement, addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'Expected Credit Losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL approach has an impact on all assets of the Group which are exposed to credit risk.

As per SBP's BPRD Circular No. 7 dated April 13, 2023, the effective date of IFRS 9 for banks in Pakistan has been extended from January 01, 2023 to January 01, 2024, and accordingly the Standard will be applied in the Bank's financial statements for accounting periods beginning on or after January 01, 2024. As disclosed in note 3.3 to the consolidated annual financial statements of the Group for the year ended December 31, 2022 the Group had carried out an impact assessment based on the portfolio of financial instruments held at that date. Given the modified effective date of the Standard, the Group will reassess the impact of the Standard in due course as required under the relevant regulatory requirements.

46

MCB Bank Limited & Subsidiary Companies

Notes To The Consolidated Condensed Interim Financial Statements (Un-audited)

For The Nine Months Period Ended September 30, 2023

These consolidated condensed interim financial statements have been prepared in accordance with the existing prudential regime to the extent of the Group's domestic operations, whereas the requirements of this standard are incorporated for overseas jurisdictions where IFRS 9 has been adopted.

There are other amendments and interpretations to existing standards that are mandatory for the Group's accounting periods beginning on or after January 1, 2023 but are considered not to be relevant or do not have any significant effect on the Group's operations and are therefore not detailed in these consolidated condensed interim financial statements.

4. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the audited annual unconsolidated financial statements of the Group for the year ended December 31, 2022.

5. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these consolidated condensed interim financial statements are the same as that applied in the preparation of the consolidated financial statements for the year ended December 31, 2022.

6. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Group are consistent with those disclosed in the consolidated financial statements for the year ended December 31, 2022. These risk management policies continue to remain robust and the Group is reviewing its portfolio regularly and conducts rapid portfolio reviews in line with emerging risks.

11.3.1 State Bank of Pakistan vide BSD Circular No. 2 dated January 27, 2009, BSD Circular No. 10 dated October 20, 2009, BSD Circular No. 02 of 2010 dated June 03, 2010 and BSD Circular No.1 of 2011 dated October 21, 2011 has allowed benefit of Forced Sale Value (FSV) of Plant & Machinery under charge, pledged stock and mortgaged residential, commercial & industrial properties (land and building only) held as collateral against Non Performing Loans (NPLs) for five years from the date of classification. The Bank (holding company) has not taken the FSV benefit in calculation of specific provision. However, one of the subsidiary of the Bank has availed benefit of forced sale values amounting to Rs. 914.104 million (December 31, 2022: Rs. 555.936 million) in determining the provisioning against non-performing Islamic financing and related assets as at September 30, 2023. The additional benefit arising from availing the FSV benefit - net of tax amounts to Rs. 466.193 million as at September 30, 2023 (December 31, 2022: Rs. 283.527 million) and is not available for payment of cash or stock dividends to shareholders.

11.3.2 The Group maintains general reserve in accordance with the applicable requirements of the Prudential Regulations for Consumer Financing and Prudential Regulations for Small and Medium Enterprise Financing issued by the SBP. General provisions pertaining to overseas advances are made in accordance with the requirements of the regulatory authorities of the respective countries in which the overseas branches operate. In addition, the Group also maintains a general provision against gross advances on a prudent basis.

| | Group also maintains a general provision against gross advances on a prudent basis. | | | |

20.1 Supreme Court of Pakistan vide its order dated November 10, 2016 has held that the amendments made in the law introduced by the Federal Government for the levy of Workers Welfare Fund were not lawful. The Federal Board of Revenue has filed review petitions against this order which are currently pending.

Legal advice obtained on the matter indicates that consequent to filing of these review petitions the judgment may not currently be treated as conclusive. Accordingly, the Group maintained its provision in respect of WWF.

| 21. RESERVES | | · | |
| Share premium | | 23,973,024 | 23,973,024 |
| Non- distributable capital reserve - gain on bargain purchase option | 21.1 | 908,317 | 908,317 |
| Exchange translation reserve | | 10,028,934 | 4,845,697 |
| Statutory reserve | 21.2 | 46,494,872 | 41,313,438 |
| General reserve | | 18,600,000 | 18,600,000 |
| | | 100,005,147 | 89,640,476 |

- 21.1 Under IFRS-3 a bargain purchase represents an economic gain which should be immediately recognized by the acquirer as income. However, the amount of bargain purchase gain was not been taken to the profit and loss account as the SBP, through its letter BPRD(R&PD)/2017/14330 dated June 13, 2017 recommended that the amount of gain may be routed directly into equity as a Non-distributable Capital Reserve (NCR). The NCR may become available for distribution through a stock dividend only with prior approval of the SBP. The Bank, before distribution of the gain as a stock dividend, may adjust any subsequent provisions/deficit, assessed by the Bank or recommended by the Banking Inspection Department of SBP, in the acquired assets and liabilities of NIB Bank Limited against the NCR.
- **21.2** Statutory reserve represents amount set aside as per the requirements of section 21 of the Banking Companies Ordinance, 1962.

MCB Bank Limited & Subsidiary Companies

Notes To The Consolidated Condensed Interim Financial Statements (Un-audited) For The Nine Months Period Ended September 30, 2023

23.2.4 The Group makes commitments to extend credit in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn.

| | | Note | Unaudited September 30, 2023 Rupee | Audited December 31, 2022 s in '000 |
|------|--|--------|---|--|
| 23.3 | Other contingent liabilities | | | |
| | Claims against the Group not acknowledged as debts | 23.3.1 | 33,603,078 | 29,051,044 |

23.3.1 These mainly represent counter claims by borrowers for damages and other claims relating to banking transactions. Based on legal advice and / or internal assessments, management is confident that the matters will be decided in the Group's favour and the possibility of any adverse outcome is remote. Accordingly, no provision has been made in these consolidated condensed interim financial statements.

23.4 Taxation

For assessment year 1988-89 through tax year 2022, the tax department disputed Group's treatment on certain issues, where the Group's appeals are pending at various appellate forums, entailing an additional tax liability of Rs.1,586.702 million (2022: Rs. 844 million). Such issues inter alia principally include disallowance of expenses for non-deduction of withholding tax and non-availability of underlying records, provision for non-performing loans, attribution of expenses to heads of income other than income from business and disallowance of credit for taxes paid in advance / deducted at source.

The Group has filed appeals which are pending at various appellate forums. In addition, certain decisions made in favour of the Group are being contested by the department at higher forums. No provision has been made in these consolidated condensed interim financial statements regarding the aforesaid additional tax demand and already issued favourable decisions where the department is in appeal, as the management is of the view that the issues will be decided in the Group's favour as and when these are taken up by the Appellate Authorities.

23.5 Amortization of goodwill and other intangibles amounting to Rs 28.08 billion of Ex. NIB

Issue of goodwill and other related assets amortization for few years has been assessed in Holding company favour at appellate forums, however, the tax department has filed appeal against these decisions. The management has not recorded any tax benefit because the issue has not attained finality.

35. FAIR VALUE MEASUREMENTS

The fair value of traded investments is based on quoted market prices, except for tradable securities classified by the Group as 'held to maturity'. Quoted securities classified as held to maturity are carried at amortised cost. Fair value of unquoted equity investments other than investments in associates is determined on the basis of break up value of these investments as per the latest available financial statements.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Group's accounting policy.

In the opinion of the management, the fair value of the financial assets and financial liabilities other than those carried at fair value and disclosed in note 35.1 are not significantly different from their carrying values since assets and liabilities are either short-term in nature or re-priced over short term.

Notes To The Consolidated Condensed Interim Financial Statements (Un-audited) For The Nine Months Period Ended September 30, 2023

35.1 Fair value of financial assets

The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Valuation techniques used in determination of fair valuation of financial instruments within level 2

| Item | Valuation approach and input used | | | |
|--|---|--|--|--|
| Federal Government securities | The fair values of Treasury Bills and fixed rate Pakistan Investments Bonds (PIBs) are determined using the PKRV rates. Floating rate PIBs are revalued using PKFRV rates. | | | |
| Term Finance and Bonds | Investments in debt securities (comprising term finance certificates, bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form o redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan. | | | |
| Foreign exchange contracts | The valuation has been determined by interpolating the mark-to-market currency rates announced by the State Bank of Pakistan. | | | |
| Derivatives | The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currency involved, interest rates, yield curves, volatilities, contracts duration etc. | | | |
| Unlisted Shares | Breakup value determined on the basis of NAV of the company using the latest available audited financial statements. | | | |
| Mutual Funds | Units of mutual funds are valued using the Net Asset Value (NAV) announced by the Mutual Funds Association of Pakistan (MUFAP). | | | |
| Operating fixed assets (land and building) & Non- banking assets acquired in satisfaction of claims | Land, buildings and non-banking assets acquired in satisfaction of claims are revalued on a periodic basis using professional valuers. The valuation is based on their assessment of the market value of the assets. | | | |

The Group's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the period.

(a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in listed ordinary shares and units of mutual funds.

(b) Financial instruments in level 2

Financial instruments included in level 2 comprise of Sukuk Bonds, Pakistan Investment Bonds, Market Treasury Bills, Term Finance certificates, FX options, Cross Currency Swaps, Interest Rate Swaps and Forward Exchange Contracts.

(c) Financial instruments in level 3

Currently, no financial instruments are classified in level 3.

MCB Bank Limited & Subsidiary Companies

Notes To The Consolidated Condensed Interim Financial Statements (Un-audited) For The Nine Months Period Ended September 30, 2023

The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. For financial assets, the Group essentially carries its investments in debt and equity securities at fair values. Valuation of investments is carried out as per guidelines specified by the SBP. In case of non-financial assets, the Group has adopted revaluation model (as per IAS 16) in respect of land and building.
